I have attached an early order form for your convenience. Early orders will assure that the plants you want are available and set aside for you at the time of sale. Your plants may also be picked up on Friday May 11th from 4pm until 6pm.. Our price this year will be \$2.50 for one through 12 plants. Over twelve we will discount the order to \$ 2.25 per plant. The following conditions apply:

Plants must be ordered before April 20.

Orders forms should be sent to [lcshong@milwpc.com](mailto:lcshong@milwpc.com). Or if you prefer they can be mailed to: Pewaukee River Partnership, P.O. Box 112, Pewaukee, WI 53072.

I will send a confirmation to all orders within 48 hours.

If you do not receive one, you should call me at 262-443-6737 so we can determine if there is a problem.

Plants are paid for at time of pickup, cash or check. Sorry no credit cards.

If you are looking for a species we do not have on our list you may go to [agrecol.com](http://agrecol.com) and check their catalog. If it is listed, we may be able to order it for you. We will require a minimum number of 4 plants of that species for us to order. The price for a 4 plant minimum is \$3.00 per plant. We can offer a discount on full trays (32 plants). Some species may have limited quantities available so the sooner I get a request the better.

If you have any questions please do not hesitate to email or call me at 262-443-6737.
